Sri D. B. KALMANKAR.—May I know whether the Government will hereafter at least take prompt action to see that the books are prepared before the commencement of the academic year ?

Sri A. R. BADARINARAYANA.—As the hon. member knows the Pre-University Board was constituted in the year 1971. This is a new experience and there has been some difficulty in the formation of these committees and preparation of text books. But I can assure that very soon the work will be got done.

MADAM SPEAKER.—Now Question hour is over.
